

VEHICLE WRAP WARRANTY INFORMATION

PAGE 1

*“To deliver the highest quality
vinyl wraps and designs,
all while inspiring creativity”*

Here at Full Ass Wraps we proudly stand behind our work. We have a 100% customer satisfaction guarantee, so you stand behind it as well. If you aren't happy with something we have done or haven't done, please let us know directly and we will make it right!

General Terms

- 12 month warranty on installation and workmanship (peeling, cracking, or lifting). Damaged areas will NEVER be trimmed back or patched in like most of our competitors. This requires you to cut on paint and that we will never do. Panels that peel, crack or lift will be replaced.
- Most of the materials we use here have a life expectancy of 3-5 years on horizontal surfaces (Example: Roofs, Hoods), and 5-7 years on vertical surfaces (Example: Doors, fenders)
- Note: If you experience any excessive darkening, hairline cracking or change in color, its time to remove the vinyl immediately. Failure to do so will result in extended hours of removal that will cost you much more in labor and may damage your vehicle.
- Damage caused by vandalism, wind, rain, hail, or any act of God is not covered
- All repairs will be done at Full Ass Wraps facility or at the original install location

VEHICLE WRAP WARRANTY INFORMATION

PAGE 2

- Warranty will be voided for improper cleaning such as the use of automated car washes (refer to our “Wash/Maintain” section for proper cleaning methods)
- Warranty will be voided for any tampering or altering of graphics installed by Full Ass Wraps
- No Warranty is provided from “wear and tear” such as stone chips, dents, road rash, etc. Contact us for information on paint protection film as a preventative measure.
- No Warranty is provided if paint condition includes excessive rust, paint defects, or clear coat failure
- Vehicle lettering
- 12 month warranty: covers peeling, excessive fading, and cracking
- No warranty on metalized films (chrome, brushed aluminum)
- Typical life expectancy 3-5 years depending on the materials finish

Perforated Window Film (Vehicles)

- 12 month warranty: covers peeling, excessive fading, and cracking
- No warranty against peeling or abrasion on windows that move or slide (We do not recommend opening windows that have graphics applied to them)
- Graphics that are exposed to window wipers are not warranted for peeling or abrasion
- Typical life expectancy: 12 month non-laminated

Ceramic Coating

- 12 month warranty: covers loss of hydrophobicity and environmental contaminant staining
- Warranty will be voided if vehicle has been through an automated car wash (Refer to our “Ceramic coated wash/ maintain” section for proper cleaning methods)
